### How well do we know your flock?

Raising the Baa helps business teams to observe and improve their own communication and leadership skills from a ewe-nique perspective – through the metaphor of sheep-herding.

This is your chance to experience our half-day LAMB programme. Have huge amounts of fun whilst learning many lessons about you and your fellow shepherds (or are they dogs?) through your time with Raising the Baa.

Exclusively for Inspire members, we are offering an edited video of your experience. This is normally only offered as part of our full-day EWE programme so this really is a special added-value offer.

This offer is for teams of 10-16 people.  
Together you will all work together to become the most magnificent team in your field.
