Free marketing tools to make your business more visible online

Web.com want to see you succeed online so are offering your business a 'Get Me Online' starter pack which includes:

Free Website Health Check

Already on line? Let our on line marketing consultants give your website a free website health check and identify any key issues that could affect the rankings or performance of your website. We check your website is mobile friendly, your Google Page Rank and your Meta Data which effects SEO.

Free Google My Business Redemption

We create and optimise a Google My Business Page for you so that your business stands out. You will get a professionally designed business page on Google that helps your website's SEO and creates your presence in three Google locations: Google Search, Google Plus and Google Maps.

Free Priority Business Listing

Receive a Priority Listing on Scoot - a leading online business directory. Your listing is highlighted and given a priority position, ranking higher in the search results. Businesses with a Priority Listing receive a 5 times better response than those without.

Web.com provide a full range of marketing services to small businesses to help them compete and succeed on line. Web.com meets the needs of small businesses anywhere along their lifecycle with affordable solutions including:

Domains & Hosting

Website Design & Management

Search Engine Optimisation

Pay Per Click

Social Media

Local Search

Stand out where it matters

Web.com has been building custom websites since 1997, and currently support 3.4 million active customers; as a Google Premier Partner, a Bing Advertising Partner, and having worked directly with Facebook to perfect ad targeting for small businesses, we have the experience, expertise, and relationships to ensure you have a strong web presence across desktop, mobile, and tablet devices.

Whether you're looking to bring in new website visitors, grow online sales, get the phone ringing, or keep customers coming back for more, Web.com can help.
